

**WOMEN[®]
ROCK
SCIENCE**

5TH YEAR ANNIVERSARY

**WEDNESDAY, OCTOBER 12, 2022
6:00 PM - 9:00 PM | CRANBROOK INSTITUTE OF SCIENCE**

INSPIRING EXPLORATION, RECOGNIZING ACHIEVEMENT

Every year, the Women Rock Science gala includes an opportunity to recognize three individuals who are making a difference in the fields of Science, Technology, Engineering, Arts, and Mathematics through three awards: Outstanding Educator, Rock Star, and Outstanding Leader Award.

For 2022, the following individuals will be recognized at Women Rock Science:

OUTSTANDING EDUCATOR AWARD

Melissa Koronka

Science Teacher
Accelerated Learning Academy (ALA)
Flint Community Schools

ROCK STAR AWARD

Raven L. Jones, Ph.D.

Assistant Professor
Department of Teacher Education
Michigan State University

OUTSTANDING LEADER AWARD

Beth Paretta

CEO / Team Principal
Paretta Autosport

WOMEN ROCK SCIENCE WEDNESDAY, OCTOBER 12, 2022 6:00 PM – 9:00 PM

Women Rock Science is a women-led fundraising event that aims to celebrate women in STEAM (Science, Technology, Engineering, Arts, and Mathematics) and ignite curiosity in children. Proceeds from the event will help bring more STEAM programming, delivered by Cranbrook Institute of Science educators, to PreK-12 students in under-resourced communities throughout Michigan, including Detroit, Hamtramck, Pontiac, Flint, Southfield, and others.

THE WOMEN ROCK SCIENCE EXPERIENCE INCLUDES:

- Hands-on STEAM education activities
- Acheson Planetarium shows
- Hors d'oeuvres & STEAM-themed cocktails
- Access to museum exhibits
- Women Rock Science honoree remarks

WHY WOMEN ROCK SCIENCE?

- Careers in the STEM fields are the fastest-growing careers in the global marketplace; they're also the most in-demand jobs in Michigan (MI STEM Partnership).
- Women make up nearly half of the U.S. workforce, but account for only 27% of STEM workers (census.gov).
- By adding Art to STEM, STEAM helps kids to become problem solvers by thinking creatively and asking questions.
- Cranbrook Institute of Science's STEAM programs seek to inspire and ignite curiosity in *all* children about STEAM careers, with an emphasis on young women.

SPONSORSHIP OPPORTUNITIES

WRS 5

LEAD SPONSOR

\$50,000

\$49,250 TAX-DEDUCTIBLE
AS ALLOWED BY LAW

10 tickets

Lead sponsor recognition on all print, web, and social media channels

Full-page ad in the event program booklet

VIP tour of Cranbrook Institute of Science for up to 10 guests

Option to host private dinner at the Institute for up to 20 guests

Live speaking opportunity at the event

Company branded item included for all event attendees

SCIENCE

\$25,000

\$24,400 TAX-DEDUCTIBLE
AS ALLOWED BY LAW

8 tickets

Science sponsor recognition on all print, web, and select social media channels

Full-page ad in the event program booklet

VIP tour of Cranbrook Institute of Science for up to 8 guests

TECHNOLOGY

\$15,000

\$14,550 TAX-DEDUCTIBLE
AS ALLOWED BY LAW

6 tickets

Technology sponsor recognition on all print, web, and select social media channels

Half-page ad in the event program booklet

VIP tour of Cranbrook Institute of Science for up to 6 guests

ENGINEERING

\$10,000

\$9,700 TAX-DEDUCTIBLE
AS ALLOWED BY LAW

4 tickets

Engineering sponsor recognition on select print, web, and social media channels

Half-page ad in the event program booklet

VIP tour of Cranbrook Institute of Science for up to 4 guests

ART

\$5,000

\$4,700 TAX-DEDUCTIBLE
AS ALLOWED BY LAW

4 tickets

Art sponsor recognition on select print, web, and social media channels

Logo/name placement in the event program booklet

VIP tour of Cranbrook Institute of Science for up to 4 guests

MATHEMATICS

\$2,500

\$2,350 TAX-DEDUCTIBLE
AS ALLOWED BY LAW

2 tickets

Logo/name placement in the event program booklet

Select recognition at the event

ABOUT CRANBROOK INSTITUTE OF SCIENCE

Cranbrook Institute of Science is part of the internationally significant Cranbrook Educational Community, which is more than 100 years old. Founded by philanthropists George and Ellen Booth in 1934, the Institute of Science is a dynamic museum of natural history that connects the diverse public to the natural and cultural worlds around us in ways that excite, empower and educate. Cranbrook Institute of Science currently hosts 170,000 guests annually and connects with another 35,000 throughout the region via well-developed and highly regarded outreach programs. The Institute boasts a collection of more than 250,000 objects and specimens from around the world.

ABOUT CRANBROOK INSTITUTE OF SCIENCE OUTREACH PROGRAMS

Each year, an average of 35,000 of Michigan's PreK-12 students receive critical STEAM outreach programs delivered by Cranbrook Institute of Science educators. Students in Detroit, Flint, Hamtramck, Pontiac, Southfield, Warren, and more receive supplemental STEAM educational experiences through in-person classroom programs, hands-on science activity kits, field trips, and recently, virtual programs. The goal of Women Rock Science is to raise funds in support of these initiatives, and to celebrate inspirational leaders in STEAM.
