

Constellation Finder

horizon

- TO MAKE**
1. Cut out the Star Wheel.
 2. Cut out the Horizon Mask.
 3. Cut out this inner instruction oval.
 4. On a separate blank sheet, cut a rectangle 4.25" x 7.625".
 5. Fold the Horizon Mask flaps over the rectangle.
 6. Insert the Star Wheel into the Horizon Mask and tape the flaps down.

TO USE
 Rotate the Star Wheel so that the desired date matches the time on the Horizon Mask. The stars in the oval will match the sky.
